Sweet Natural Wine

TERROIR

Our terroir is mainly made up of clay-limestone soils, our natural amber sweet wine comes from vines with an average age of 40 years located mainly to the south-west of Rasteau, on the place "Les Encostes".

GRAPPE VARIETY

100% Grenache

ELABORATION

Direct pressing of ripe grapes, without maceration. The color of the juice is thus pink.

Fermentation is started quickly and when there is around 90g of sugar remaining, the wine is mutated by adding 5-6% wine alcohol to stop the yeast activity.

The wine thus obtained is stored in old 600 L barrels for about twenty years, in order to ensure good aging without taking on woody flavors.

DEGUSTATION

Beautiful amber color with golden reflections.

The nose is powerful with aromas of nuts and candied fruits.

The palate is full-bodied, gourmet and spicy with notes of toasted hazelnuts, apricot jam and old whiskey.

ACCORDS

Can be enjoyed as an aperitif or with a frozen dessert.

Ready to drink - Serve between 9 ° and 12 ° C.
