

LA VILLA DES NYMPHES

AOP VENTOUX ERIDAN ROUGE 2019

Terroir

This wine comes from vines planted in an area classified as a Biosphere Reserve by UNESCO, between the Mont Ventoux and the Dentelles de Montmirail, two emblematic places of the Rhone Valley, on clay-limestone soils, perfect for the production of light and fruity wines.

Grapes

Grenache 50%

Syrah 40%

Mourvèdre 10%

Vinification

These vines are harvested by hand and the grapes are vinified by variety, so that each one can develop all its qualities in the respect of nature and the work of the winemaker. The wine is then aged for twelve months in French oak barrels.

Tasting and Culinary Agreements

Eridan, God - river associated with the Rhone, for a long time wild but finally tamed, just like this very masculine cuvée whose woody taste is fine but very present. Spices, cocoa and candied cherry blend together to express all the complexity of this terroir. This wine has a deep red color with orange reflections. It will be the perfect accompaniment to a fine rib of beef.
